

25th Anniversary REFLECTION Foundation Gala

Thursday, March 1, 2018

Riverside Convention Center | Riverside, California

As we reflect on the past 25 years of Loma Linda University Children's Hospital, we know that not every child's journey starts out whole. Our hope is that through Vision 2020, the Campaign for a Whole Tomorrow, we can help each young patient move through their challenges and into a healthy future. Loma Linda University Children's Hospital provides the highest level of trauma care for the 1.2 million children of San Bernardino, Riverside, Inyo and Mono counties – making it your Children's Hospital.

With one of the largest neonatal intensive care units in Southern California, a pioneering heart transplant center, comprehensive cancer treatment and much more in a whole-person care environment, Loma Linda University Children's Hospital is constantly discovering connections through our vision for extraordinary health care.

Your support of our **25th Anniversary Foundation Gala - Reflection** will help us celebrate our first 25 years and look forward to our future. There is incredible power when a community reflects on the past, embraces the present, and plans for the future.

Join us as we move into our future.
